

Dear Will,

I hope this email finds you well. I wanted to send out a message of condolence regarding the recent loss of our Grand Prior Emeritus in The Grand Priory in Australia, Barry O'Keefe. He has always been caring, trusting and a very good advisor. I have always felt his support and counselling during my Magistracy and he will surely be missed. His leadership and spiritual commitment to our beloved Order will also be thoroughly remembered. Please forward my words to his widow and let her know that we will have her in our prayers.

Best regards,

Carlos
