

I have been informed by Mr Daryl Chang, our National Chapter coordinator at The Sebel Albert Park, that the Sebel Albert Park has officially rebranded (take as renamed) to **Pullman Melbourne Albert Park** and the adjoining Citigate hotel rebranded to **Mercure Melbourne Albert Park**. The address and telephone remain the same.

The change in the venue's name will not effect in any way previous arrangements for the National Chapter.

I have received notification from the Governor's Secretary, that His Excellency the Governor will host a Reception at Government House on the occasion of the National Chapter, on Thursday 30 May 2013 from 6.00pm-730pm.

I advise that members attending the National Chapter who wish to attend the Reception at Government House do so by the closing date of 12 April 2013.

Please be assured that you will be immediately notified should any changes occur, in the meantime it is business as usual,

Mons Anthony K. Toms  
President
