

THE DEATH OF CHEV BARRY O'KEEFE

Dear Grand Master,

It is my melancholy duty to advise you of the passing to eternal life this afternoon of our esteemed and much loved Grand Prior Emeritus, Barry O'Keefe.

He was with his wife, Jan. and surrounded by his loving family and the Order's Chaplain, Bp Dr Peter Comensoli ChLJ at the time of his passing.

As you are aware he set a wonderful example to members of the Order. His leadership, great ability, spiritual commitment, companionship and compassion will be remembered for many years to come.

In his life he never displayed any ego or self importance - he was a very humble but forceful individual.

Details of his funeral and services to celebrate his life will be passed on to you as soon as the family make final arrangements .

Confraternally yours,

Will Bailey
