### Grand Master Announces International 2012 Pilgrimage to Kevelaer, Germany

On the Grand Master's initiative the Order will conduct a Pilgrimage to the ancient and historic site at **Kevelaer**. Kevelaer is an ancient place of religious life of - a site of consciousness, where one can find a new spiritual home and shelter.

Activities will be centered at **Krickenbeck Castle**, with most of the castle's rooms set aside especially for Members of the Order. The Pilgrimage will begin on the Wednesday 23rd of May, and conclude on the Pentecost occurring on the Whitsunday 27th of May. The event's host will be our member Chevalier Henning Count von Schwerin, who manages the castle.

Registration will occur on Wednesday the 23rd. Beginning the morning of **Thursday the 24th**, there will be meetings of the Grand Executive Committee, Grand Magistral Council, and further Commissions of the Order followed by a conference of the interantional Heads of Jurisdictions .....

### SANTIAGO - Film of our Order's Official Pilgrimage to Santiago - Official Film Channel

The Grand Priory of Spain produced 2011 a video of our Order's Official Pilgrimage to Santiago. This historical event was organized by our Grand Master, the Marquis de Almazàn H.E. Don Carlos Gereda de Borbon. The Public Relations Commission is pleased to announce in agreement with the Spanish jurisdiction the web-hosted public video in our official **"St. Lazarus Net" video portal** on a separate channel.

The film highlights the main events, which included a Pontifical Mass, and many other significant and memorable spiritual and social activities that involved hundreds of Members from the Military and Hospitaller Order of Saint Lazarus of Jerusalem. Originally produced exclusively for the Members involved, the Grand Priory of Spain has graciously decided to share this important occasion with the public. The film provides a wonderful insight into the activities our modern Order, which has survived for more than a millennia. Publication of this documentary is done in the spirit of openness and in accordance with the Grand Master's wishes that we promote transparency, a more informed membership, and more effective communications with the greater public.....

### INTERNATIONAL - Grandmaster extolled the virtues of a knight in the twenty first century

August 9, 2011 - The Grand Master on the occasion of the death of His Imperial Royal Highness the Archduke Otto of Habsburg, Protector of the Order - Grandpriory Austria, has **written to all members** of the Order extolling the virtues of a knight in the twenty first century who must be a person of extreme generosity, encouraging others in pursuit of an ideal, who is faithful to their word of honour.

Our Grand Master Don Carlos brings to the attention of members the correct education of our youth by the tradition of scholarly learning, behaviour and service. The Order today, is summoned to carry out great objectives and to serve today's society. All these objectives can be achieved with the help of God and through the prayers of our Knights and Dames.
